

How much fun can I have?

SPEED

**With Effective Career
Strategy Worksheets**

In **Speed** I help you unlock the keys to your full potential, guiding you on a transformative journey to embrace a heroic life.

Are you ready to discover your super qualities, conquer challenges, and become the hero of your own epic story?

In this guide, I'll give you tools to access the past parts of you and reinvent your story. We'll draw from powerful archetypes, role models, epic stories, fun and powerful decision making tools as you get help designing your super self avatar.

You'll also get to give your daily frustrations and challenges a face as **we also design your comic book style nemesis for you to slay**. Use this as a powerful emotional and visual tool to move past challenges and setbacks. In the end you'll have a clearer vision of your legacy.

Additional Tips Opportunity:

Remember that **Speed** is a way to honor and more fully support your journey. The tools used here can turn you into a super, inspiring force in your work and in the community.

Final words: Now it's time to put these insights and tips into action! Pick one or two tools to focus on your heroic story that resonates with you.

Throughout the ages people have told stories about themselves and others. Now you can more consciously stay focused on the stories that empower you and keep your focus on what you love.
