We'll Guide You Through Ways To:

1. Get clear and confident on the right words to position and promote your business effectively – from the start.
2. Manage your Joint Venture expectation - chances are you aren't going to know them well. – JV partner is not a mind reader. Get clarity from them.
3. What if it all sounds good to start and then it goes South. What do you do?
4. Communicate your expectations clearly, in writing, share your disappointment, where do we stand now, where do we go from here.
5. How can you turn lemons into lemonade?
6. Recognize the signs – don't ignore the red flags.
7. Follow your gut – no matter what.
